## OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

For President. For Vice President.  
For U. S. Senator.  
HON. RICHARD P. ERNST, of Covington.  
For Representative  
W. G. BLAIR, Jr. of West Liberty.

### BABY NAMED LYDIA E.

Because Her Mother Was Made Well by Lydia E. Pinkham's Vegetable Compound.

Brooklyn, N. Y.—"I could not write all my thanks for your blessed medicine, Lydia E. Pinkham's Vegetable Compound. I was in a very bad condition and had lost two babies. One of my good friends told me about Lydia E. Pinkham's Vegetable Compound and after I had taken eight or ten bottles I felt like a different woman. I kept on taking it until my baby girl was born last month and we have had her christened Lydia Elizabeth. I wish you to publish my letter to benefit other women who are suffering as I was."—Mrs. KATHERINE KUBACKA, 1086 Manhattan Avenue, Brooklyn, N. Y.  
Women who suffer from any feminine ailment should not lose hope until they have tried Lydia E. Pinkham's Vegetable Compound.  
The many convincing testimonials constantly published in the newspapers ought to be proof enough for women who suffer from those distressing ills peculiar to their sex that Lydia E. Pinkham's Vegetable Compound is the medicine they need.

**Attachments to Telephones—And Why We Object to Them**

The rules of the telephone company prohibit the use of special devices attached to the telephone or "cut in" on the telephone line.

The general use of such attachments—as, for instance, special mouthpieces, hook-switch levers, patent ear-pieces, receiver holders, special switches and other appliances—would so complicate the upkeep and operation of the telephones in the exchange that uniform and satisfactory service would be impossible.

In the interest of uniform and dependable service for all alike, therefore, we must adopt the policy of ourselves specifying and providing all equipment used on or connected with our lines. We cannot be responsible for the upkeep or operation of telephones or lines to which outside devices, not standard equipment, are attached.

## COFFEE! BELLE OF MAYSVILLE

It is like the dew of Hebron; it has the sweetness of Nectar, the sparkle of champagne, the aroma of a thousand flowers.

For a cup of it Nero would have burned a thousand Romes, Caesar remitted the taxes of all the Jews and Napoleon turned peacemaker.

The only difference in this wonderful Coffee and the goods we sold years ago, it hasn't the kick.

Prices are right. A trial order will convince and will be appreciated.
